

PROJECT DEVELOPMENT FACILITY:

The SFAC's PDF will also provide financial support to farmers, producer groups, agripreneurs, units in agri-export zones, organizations and Agriculture graduates for preparing bankable detailed project reports (DPRs).

The beneficiary will need to obtain an in-principle recommendation from the area lending banks, evincing their interest in funding such projects. DPRs will be prepared by consulting firms/institutions who have established local area competence and have been empanelled by SFAC.
