

FOREWORD

The Directorate of Economics and Statistics brings out the “Economic Survey, Assam” every year with a view to present an objective account of the State’s economy during the year.

The salient features of the State’s economy are given in Part I of this issue with reference year 2004-2005 while statistical tables on important economic sectors have been provided at the appendix in Part II.

The Directorate acknowledges with gratitude the co-operation extended by various Government Departments/ Organisations in making available statistical data and other relevant information for incorporation in the present study. Comments and suggestions for improvement of the future issues of this publication would be most welcome.

Dated: 25th February, 2005.
