

CARP SEEDS & FISH FEED

The Fisheries Research Centre, Assam Agricultural University, Jorhat, Assam is currently producing ECOHYBRID Carp seeds and complete Fish Feed "SUSHAMA" for catering the need of the fish farmers of the state. Besides retail sales the center entertains requisitions for bulk quantity against advance payments. Farmers/Entrepreneurs of the state may contact the Senior Scientist & i/c of the Research Centre over phone (95376-2340039(O))
