

# Success Story

Sri Chandradhar Malakar S/o Lt. Jagaru Malakar, Vill. Kismat Bongsar under Agri. Dev. Office, Bongsar. Through he is educated, he has taken agriculture activities. During the year 2000, he started cultivating Marigold in 1 bigha plot and earned around Rs. 20,000/- inspired by the success, he expanded his floriculture activities to 5 bighas of land and he got assistance of Rs. 13,000/- under technology mission 0.2 hec. He started cultivating Marigold, Tuberose, Glandulous and Zerbera and earned around Rs. 56,000/-. His future plan is to raise seedling of fruits, flower and vegetables in a nursery on commercial basis. According to him, the scope of floriculture is much more brighter then vegetable cultivation.

Today he is sending his children to Guwahati for higher education and is very proud to be a floriculturist.
