

Success Story

Sri Rajen Rajbongshi, S/o Lt. Dakharu Rajbongshi, Vill. Dadara, Age 32 years, is an unemployed graduate of Bongshar circle. Deprived of government job, he started agricultural activities 5 bighas of plot where he cultivated Rabi crops, but due to poor return and less profit, he was not satisfied with his income. During the year 2003-04 under Technology Mission he got an assistance of Rs. 13,000/- for 0.2 hec. was given to him and with that amount he started Glandulous and Rose in 1.5 bigha. He was shocked and happy when his return from the plot was above in 20,000/-. During the year 2004-05 he expanded his area to 3.5 bigha and earned around Rs. 48,000/-

According to him, the scope the return of Rose and Glandulous is much more than Rabi Vegetables. He also underwent various training within and outside the state and today he is proud that he is technically sound. Seeing his success, the unemployed youths of his area comes to him for advice to increase their income through agriculture.
